The **2019 TCEL Annual Meeting** is scheduled for February 15 and 16, 2019 at the Embassy Suites Conference Center in San Marcos, Texas.

We believe that TCEL can help you achieve an increased level of success in promoting your company and selling your services to the Engineering Laboratory Industry at our 25th Annual Meeting.

The sponsorship program for the 2019 Annual Meeting is a unique promotional opportunity. You will have the ability to put your company's name in the spotlight, provide a vehicle to personally meet with the decision-makers of TCEL at the same time. It will give you an edge over the competition, support TCEL's programming efforts, and generate goodwill toward your company and the Engineering Laboratory Industry in Texas.

The program offers several levels of sponsorship. Please indicate your interest in participating through the Sponsorship Form on the next page and emailing it to me at kim@tcel.org to begin reaping the benefits of this exclusive sponsorship program immediately.

Please call me at 281-742-0265 if you have any questions. I look forward to working with you to create a successful event for your firm.

Sincerely,

Kim Icenhower
